Dear Parents & Students,

We are so excited to be celebrating our 36th year! The Dance Connection has provided students with an exciting performance experience through its summer Recital. It's the opportunity given to hundreds of children a chance to shine in front of family and friends that they anticipate with nervous excitement.

Our summer recital offers our students a professionally directed performance that allows them to present to their families and friends the result in a year's hard work, dedication and progress.

A big part of the training process includes learning through performance. This experience helps build performing skills and contributes to a sense of confidence. Although performance opportunities can help prepare some students for a possible career in dance, they also contribute to children's success in non-dance activities. That onstage experience can result in better school presentations, improved social skills and strong interview skills for future college job opportunities. The rehearsal process is a tremendous learning experience as well. It helps the children develop retention skills. By working with classmates on a group performance, they learn the positive aspects of working as a team to create the best end result.

We've created this "recital handbook" in effort to clarify any questions or concerns you may have.

With Much Excitement,

Lisa & Lori Waddell & the Dance Connection Staff

**VIDEO TAPING:** please no video-taping during the recital performances; you may video at dress rehearsal only. **NEW** this year! I am so excited to have found a new company that has an amazing deal to offer all of our DC families! Everyone will receive a link to ALL recital performances and will be able to download and share with family and friends for **\$20!!** And even better, links will be emailed the following week. Each dancers account will be charged the \$20 OR \$30 per family and again you will receive ALL 5 performances. No more worrying about forgetting to turn in a form or order online it's done!

**MULTIPLE COSTUME CHANGES:** some dancers have more than one routine. Don't worry there are backstage helpers to help them change into their Next costume. Please realize we cannot have every child's parent leave in the middle of the show to run back and change their child. We do need your help in keeping things organized so that shoes and costume pieces are not lost. It's best if you keep your costumes and shoes in an **extra-large zip lock bag Labeled with your child's name and song title on it** and then placed in a small Roller suitcase. Duffel bags are hard to get in and out of quickly, costumes on hangers slip off etc. Thank you in advance for your cooperation. Any questions please don't hesitate to ask, it may seem overwhelming, but it runs very quick and smooth with everyone's cooperation. Good luck to everyone! This is such a fun and rewarding experience...invite lots of friends and family, it's the best show in town!

**SUMMER Dance Camps!** There will be no **regular classes** after the recital. Enclosed is information on our FUN summer dance camps! Session one **July 7th-9th**, Session two **July 20th-22nd**.

**FALL CLASSES & REGISTRATION:** Fall classes will begin **MONDAY, AUGUST 3rd**. You can register online at [www.danceconnectionaz.com](http://www.danceconnectionaz.com). Or, returning/continuing students may leave their 2020-2021 registration form at any time for the Fall session as you will have first priority. **Fall 2020-2021 schedule will be available May 1st!**
